

The image shows a technical drawing of a rectangular frame. The frame is defined by two concentric dashed lines: an outer blue line and an inner green line. The space between these lines represents a safety zone. In the bottom-left corner, there are three lines of text, each preceded by a horizontal line that points to the corresponding dimension or safety zone. The text is as follows:

**BRUTO FORMAAT:** 152 X 214 MM

**NETTO FORMAAT:** 148 X 210 MM

**VEILIGE ZONE:** AAN ELKE ZIJDE 4 MM
